Treasurer Report - Budget

No report was available. Per notes from Mike Morrissey, the cost of the projector similar to the ones owned by PHMSA is around \$800. It was voted that the purchase be approved once it is determined, via Debbie Snedeker, there are sufficient funds available for the purchase. Walnut Creek has paid their fall fees to National. Mike has not been able to get to the bank to add Heather and Stephen to the account, but hopes to get it done in the next couple of weeks. It appears Pittsburg is having difficulties getting their bank account set up. It was questioned as to how they are able to pay their bills without an account.
