### **Presentation - AYSO Soccer Camps (James Gilliam)**

A short presentation about what AYSO Soccer Camps has to offer the various regions in our area. They are willing to run a spring league program. All the region provides is the field, they do the rest. \$150/child, includes jersey, shorts, and socks - 8 weeks duration.

They also do a "Strength Based Coaching" program, Friday - classroom, Saturday - field, Sunday - field. More information available at [www.aysosoccercamps.org](http://www.aysosoccercamps.org)

### **Treasurer Report - Budget**

A question arose about Area paying for a Regional Commissioner to attend the Section Conference. As the Area Director, Mike is allowing RCs to bill Section Conference costs through Area. Budget was approved.

### **Coach Report - John H.**

It's all over except for the tournaments...

### **Referee Report**

No report at this time.

### **Select Update - Tom**

Happy to report the Select Season is over. Sent emails to coaches requesting feed back on the season - pro/cons. Received one response that was more gripping than informational.

It was expressed that Cindy Wells did a great job on the schedule. It was also requested that the older players be down here next year, rather than in Davis.

This was a better year than last year, especially in regards to cards.

### **Roundtable**

Budget, VIP Funding - Area does provide funds for the VIP Soccerfest.

Not all regions have paid their fees to Area and/or National. At least the payments are not listed on the National website as being received.

Co-Ed fees for this year are \$300. Not all have paid these fees.

An Intermediate Coaching Clinic will be held May 8 and 9.

Meeting was short as PHMSA was holding their registration downstairs and everyone was invited to see how they manage their registrations.
